COMPLETE ONLINE SOLUTIONS

Online solutions for small and medium businesses

Special launch offer

Custom websites from just \$100 per page!

There's a new business in town!

Vanilla Web Designs is a brand new web design firm seeking new clients for exciting projects. We are a quality provider of fully customised and template-free websites that will enhance, drive and boost your business.

What we do...

We provide complete online solutions including fully customised websites, e-Newsletter designs and campaign management, online shopping carts, PHP databasing, logo and print design and more.

Special offer for PlatinumPlay members

Have a basic site designed, hosted and launched from just \$100 per page*, and choose from free logo design or 1,000 DL flyers designed, printed and delivered to your door, FREE! Valued at over \$300, offer valid until 29/02/2012.

*Basic sites only, complex sites such as shopping carts and custom-coding start at \$130 per page. Minimum 4 page website.

Our pricing

Our web design packages start from as little as \$100 per page + GST and include domain name registration, hosting and training for 12 months. Build your online presence with a home page, services page, about and contact page; that's a full website for just \$400!

We also offer affordable site maintenance plans well below industry pricing, so you can focus on what you do best - running your business!

Just need a refresh? Send us the link to your existing site and we'll estimate the cost of a re-build, starting from as little as \$199 + GST.
